

CYBERGP CREDENTIAL PHISHING

Threat:

Identity Thief

Drivers:

Financial gain,
data theft

Techniques:

Phishing emails,
spoofed login pages

Designed to look like legitimate login pages, this car uses deceptive practices to steal competitor credentials.

It's a stark reminder to double check the URL in the address bar to ensure it's legitimate.

RACE STRATEGY

Inspect the domain
and sender info

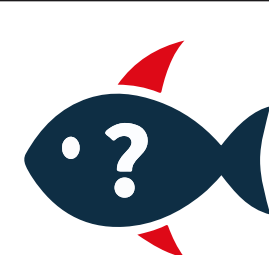

Use
bookmarks

Guard your
credentials

**YOU ARE THE LAST LINE OF DEFENSE
AGAINST PHISHING. IF YOU RECEIVE A
SUSPICIOUS EMAIL, REPORT IT IMMEDIATELY.**
