

Threat:

Wire Fraudster

Stolen:

Over \$50 billion
since 2013

Drivers:

Financial gain,
data theft

Techniques:

Phishing emails,
social engineering,
manipulating trust

One of the most elusive and dangerous competitors on the track. Posing as high-level executives, this car gains the trust of other racers and smooth-talks them into transferring funds or sharing confidential strategies.

RACE STRATEGY

Be skeptical

Follow company
procedures and
policies

Examine the
email

Look for indicators
of a phish

If anything is unusual,
verify the request
with you supervisor
or with the sender via
telephone call

**YOU ARE THE LAST LINE OF DEFENSE
AGAINST PHISHING. IF YOU RECEIVE A
SUSPICIOUS EMAIL, REPORT IT IMMEDIATELY.**
